## EDUCATION

### University of South Florida — *B.S. Information Science, Web Development Technology*

August 2021 – Present

Tampa, FL

### Hillsborough Community College, Plant City — *A.A. Computer Information Systems*

August 2018 - May 2021

Plant City, FL

## PROJECTS

### Creightone.com

I utilized my skills with HTML and CSS to develop my own online portfolio where I can better showcase my work.

July 2023 – current

### USF Go-To

I worked with a team to design multiple low and high-fidelity wireframes in Balsamiq for a website that would promote events and blog posts related to health and wellness activities around USF's campuses.

### DF Language Translator

I developed a program using Java SE and Swing that would translate English into a fictional language from the simulation game Dwarf Fortress.

April 2023 – current

## SKILLS

### Advanced
