Education

University of South Florida - B.S.I.S. conc. Web Development Technologies
AUGUST 2021 - DECEMBER 2023, TAMPA

Hillsborough Community College - A.A. Computer Information Systems
AUGUST 2018 - MAY 2021, PLANT CITY

Projects

Nullflix

JANUARY 2025 - PRESENT

Responsive React app that lets users search, filter and explore movies, TV shows and creators using The Movie Database (TMDB) API.

React, React Router, Vite, TMDB API, SCSS/CSS custom properties, Phosphor Icons.

- Built client-side search, genre and media-type filters that surface trending content and detailed item pages (synopsis, reviews, cast/crew).
- Implemented API-key onboarding flow storing the user's TMDB key in localStorage to enable authenticated API calls.

IP Address Tracker

AUGUST 2024

Responsive IP lookup and mapping app that shows the user's IP/location on load and lets users search any IP or domain to display location and key network info.

HTML5, CSS (custom properties), Flexbox, JavaScript, IP Geolocation API, Leaflet.js.

- Integrated IP Geolocation API and Leaflet for its interactive maps, to display initial user IP on a map and update results for searched IPs/domains.
